Subject:	Validation of a self-checking system for the establishment unit number 2.093.315.725 Royal decree of 14/11/2003 on self-checking, mandatory notification and traceability in the food chain.			

Dear Madam, dear Sir,

The self-checking system of your establishment VINVENTIONS with establishment unit number 2.093.315.725 has been audited on 6/11/2019.

Following this audit and taking into consideration that you have submitted an action plan, the following activity has been validated:

- PL43 AC39 PR94, Manufacturer-Manufacturing-Food packaging material
Guide No 991

The validation starts on 23/12/2019 and expires on 22/12/2020.

Information on the current status of your contribution, as well as the possible effect of this audit on your contribution is available in your file on www.Foodweb.be*

Please find enclosed the final report of the audit.

If you wish to extend the validation of your self-checking system beyond this date, an extension audit should take place 30 days prior to the end of the validation period.

If you want the FASFC to carry out this extension audit, you will have to request this audit at least 2 months before the end of the validation period, i.e. no later than 22/10/2020.

Yours faithfully,
